The Ecuadorian Communist Party reportedly is exchanging suggestions with the Venezuelan and Colombian Communist Parties in preparation for their participation in the forthcoming Gran Colombian Economic Congress. It is hoped to establish an agreement on subjects which will result in creating an anti-United States atmosphere. One of the topics to be discussed will be the alleged United States protest against the Flota Grancolombiana.

Comment: The above-mentioned Congress, although originally scheduled for December 1947, has been postponed until May 1948 in order that it may not conflict with the United Nations International Conference on Trade and Employment in Havana, Cuba.
